Conservation Security Program Information Meetings

**Upper East Fork White Watershed
Sign-up is April 18 to May 16**

The Upper East Fork of the White River Watershed was selected to participate in the 2008 Conservation Security Program (CSP). Information meetings will be held to review eligibility requirements and the self-assessment process. If you are interested in participating in CSP, attendance at one of the meetings is **Critical !!** Sign-up materials will be distributed at public meetings that must be completed before an application interview can be conducted.

The Conservation Security Program is administered by the USDA Natural Resources Conservation Service. Contact your local NRCS office for additional information and self-assessment tools, or visit us on the Web at: <http://www.in.nrcs.usda.gov/>.
